**Horngren's Accounting, Global Edition**-Tracie L. Nobles 2015-02-27 For courses in Principles of Accounting Redefining tradition in the accounting course. The tenth edition of Horngren's Accounting presents the core content of the accounting course in a fresh format designed to help today's learners succeed. Built upon the foundation of the Horngren franchise, this new edition was created by an all-new author team who sought to bridge the gap between textbook content and classroom instruction techniques. New pedagogical features such as Instructor Tips & Tricks and Common Questions, Answered walk students through the material as a great instructor would, fostering deeper understanding of accounting theory and practice. The table of contents for the tenth edition has been significantly overhauled to match the way the contemporary course is often taught. Additionally, the whole text has been put through a rigorous accuracy check, so instructors can be confident that it is up-to-date and error-free. And thorough integration between the text and MyAccountingLab places practice opportunities just a few clicks away--and provides a truly interactive learning experience. See Lead author Tracie Nobles share the newly revised and revamped edition of Horngren's Accounting: <http://bit.ly/14Gn3Be> Take a tour of Horngren's Accounting: <http://bit.ly/horngrensaccounting> Please note that the product you are purchasing does not include MyAccountingLab. MyAccountingLab Join over 11 million students benefiting from Pearson MyLabs. This title can be supported by MyAccountingLab, an online homework and tutorial system designed to test and build your understanding. Would you like to use the power of MyAccountingLab to accelerate your learning? You need both an access card and a course ID to access MyAccountingLab. These are the steps you need to take: 1. Make sure that your lecturer is already using the system Ask your lecturer before purchasing a MyLab product as you will need a course ID from them before you can gain access to the system. 2. Check whether an access card has been included with the book at a reduced cost If it has, it will be on the inside back cover of the book. 3. If you have a course ID but no access code, you can benefit from MyAccountingLab at a reduced price by purchasing a pack containing a copy of the book and an access code for MyAccountingLab ( ISBN: 9781292074771) 4. If your lecturer is using the MyLab and you would like to purchase the product... Go to [www.myaccountinglab.com](http://www.myaccountinglab.com) to buy access to this interactive study programme. For educator access, contact your Pearson representative. To find out who your Pearson representative is, visit [www.pearsoned.co.uk/replocator](http://www.pearsoned.co.uk/replocator)

**Horngren's Accounting**-Tracie L Miller-Nobles 2016-03-15 Horngren's Accounting presents the core content of the accounting course in a fresh format designed to help today's learner succeed. The often difficult and intimidating topics in introductory accounting courses are reinforced with a wide variety of exercises and problems allowing students to practice similar questions many times until the concepts are clear. Instructors are able to deliver their course with ease using any delivery method--traditional, self-paced, or online--and students will learn and practice accounting in a variety of ways that meet their learning needs and study preferences. Note: You are purchasing a standalone product; MyManagementLab does not come packaged with this content. **Cost Accounting:Concepts & Methods**-Dr. N.K. Agrawal 2008-08-01 This book contains important topics on materials, labour, overheads, methods of costing and cost accounting systems and a large number of solved and unsolved problems for practice and self-examination with examination-oriented approach. All unsolved problems have been provided with their end answers and hints. These will help students to assess the accuracy of their attempts and preparedness for the examination.

**Horngren's Accounting**-Tracie L. Miller-Nobles 2015-01-26 NOTE: You are purchasing a standalone product; MyAccountingLab does not come packaged with this content. If you would like to purchase both the physical text and MyAccountingLab search for ISBN-10: 0134077334/ISBN-13:9780134077338 . That package includes ISBN-10: 013385678X/ISBN-13: 9780133856781 and ISBN-10: 0133877574/ISBN-13:9780133877571. For courses in Financial and Managerial Accounting. Expanding on Proven Success with Horngren's Accounting Horngren's Accounting presents the core content of the accounting course in a fresh format designed to help today's learners succeed. The Eleventh Edition expands on the proven success of the significant revision to the Horngren franchise and uses what the authors have learned from focus groups, market feedback, and colleagues to create livelier classrooms, provide meaningful learning tools, and give professors resources to help students inside and outside the class. First, the authors ensured that content was clear, consistent, and above all, accurate. Every chapter is reviewed to ensure that students understand what they are reading and that there is consistency from chapter to chapter. The author team worked every single accounting problem and employed a team of accounting professors from across the nation to review for accuracy. This edition continues the focus on student success and provides resources for professors to create an active and engaging classroom. Through MyAccountingLab, students have the opportunity to watch author recorded solution videos, practice the accounting cycle using an interactive tutorial, and watch in-depth author-driven animated lectures that cover every learning objective. In addition, all instructor resources have been updated to accompany this edition of the book, including the PowerPoint presentations and Test Bank. Also available with MyAccountingLab @ MyAccountingLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts.

**Accounting**-Charles T. Horngren 2003-10-01 The Demo Docs System of instruction replicates the classroom experience by providing more "I get it" moments outside of class.We've talked to tons of POA instructors and our editors have even taken the accounting course (numerous times!) to figure out the following issue in this course that is consistent: & Students understand (or "get it") right after you do a problem in class, but as soon as they leave class, with each passing hour, their ability to do the problems again and complete their homework diminishes to the point of them either having to come to office hours to get help, or they just quit and get behind in the course.& On top of this, you can end up getting behind in the course as well, in order to keep everyone on track.& The Demo Docs system helps to recreate the "I get it" moments outside of class-keeping both you and the students on track.

And thorough integration between the text and MyAccountingLab places practice opportunities just a few clicks away--and provides a truly interactive learning experience.

**Linking Theory to Practice**-Frances K. Stage 2017-10-05 Framed by an overview of theories that guide student affairs practice, the cases in this book present a challenging array of problems that student affairs and higher education personnel face on campus, such as racial diversity, alcohol abuse, and student activism. This revised fourth edition contains 20 new cases reflecting current campus issues, including identity, study abroad, social media, bullying, housing and food insecurity, student activism, and other perennial campus issues. An excellent

teaching tool, this book provides a comprehensive and realistic set of challenges to prepare aspiring student affairs professionals for the increasingly complex college environment. Features include: A structure that sets the stage for case study methods and links student affairs theory with practical applications. Cases written by well-known and respected contributors set in a wide variety of institution types and locations. Over 35 complex case studies reflecting the multifaceted issues student affairs professionals face in today's college environment.

**Horngren's Accounting, the Financial Chapters, Student Value Edition**-Tracie L. Miller-Nobles 2017-02-23 NOTE: This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Student Value Editions also offer a great value; this format costs significantly less than a new textbook. Before purchasing, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of MyLab(tm) and Mastering(tm) platforms exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a Course ID, provided by your instructor, to register for and use MyLab and Mastering platforms. For courses in Financial and Managerial Accounting. Expanding on proven success with Horngren's accounting Horngren's Accounting, The Financial Chapters present the core content of principles of accounting in a fresh format designed to help today's learners succeed. As teachers first, the author team knows the importance of delivering a reader experience free of obstacles. Their pedagogy and content uses leading methods in teaching critical foundational topics and concentrates on improving reader results--all tested in class by the authors themselves. With this in mind, the 12th Edition continues to focus on readability and comprehension and takes this a step further in the managerial chapters by employing a new theme to help readers see how managerial accounting is used as a tool to help all business people make decisions. By providing more meaningful learning tools, this title helps readers clear hurdles, like never before. Also available with MyLab Accounting MyLab(tm) Accounting is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. **Detective Story**-Sidney Kingsley 1951 THE STORY: The scene is the squad room and office in a New York police station. The playwright presents a fascinatingly realistic picture of routine cases brought into a metropolitan police station in the course of a day. Out of the welter of human

**Managerial Accounting**-Karen Wilken Braun 2010 For introductory, undergraduate Managerial Accounting courses. Rock-solid decision-making through strong coverage and effective practice Students interact with businesses every day where they work, where they shop, even where they blog. At the core of these businesses are rock-solid managerial accounting fundamentals that students don't always see. Authors Wendy Tietz, Karen Braun, and Walter Harrison show the connection between accounting concepts and the businesses students interact with in their new text, Managerial Accounting. By presenting the accounting decisions made in companies like Target and J. Crew, this text's precise coverage of the core concepts combined with the unlimited practice in MyAccountingLab, the text's market-leading online homework and tutorial program gets students engaged in the learning process. With Managerial Accounting and MyAccountingLab, students will have more "I Get It!" moments and leave the course with a rock-solid understanding of managerial accounting. For this edition, Wendy Tietz, of Kent State University, contributed as coauthor. Dr. Tietz is an award-winning and experienced accounting and technology educator. Together, the authors refined their philosophy for the end-of-chapter and supplementary material for the second edition. MyAccountingLab New Design is now available for this title! MyAccountingLab New Design offers: One Place for All of Your Courses. Improved registration experience and a single point of access for instructors and students who are teaching and learning multiple MyLab/Mastering courses. A Simplified User Interface. The new user interface offers quick and easy access to Assignments, Study Plan, eText & Results, as well as additional option for course customization. New Communication Tools. The following new communication tools can be used to foster collaboration, class participation, and group work. Email: Instructors can send emails to their entire class, to individual students or to instructors who has access to their course. Discussion Board: The discussion board provides students with a space to respond and react to the discussions you create. These posts can also be separated out into specific topics where students can share their opinions/answers and respond to their fellow classmates' posts. Chat/ ClassLive: ClassLive is an interactive chat tool that allows instructors and students to communicate in real time. ClassLive can be used with a group of students or one-on-one to share images or PowerPoint presentations, draw or write objects on a whiteboard, or send and received graphed or plotted equations. ClassLive also has additional classroom management tools, including polling and hand-raising. Enhanced eText. Available within the online course materials and offline via an iPad app, the enhanced eText allows instructors and students to highlight, bookmark, take notes, and share with one another.

**International Criminal Justice**-George Andreopoulos 2010-11-25 In recent years, justice-related and human rights issues have figured more and more prominently on the international political agenda. This expansion of the justice space is a product of a growing demand for accountability in world politics. Whether the issue is addressing heinous crimes such as genocide, war crimes and crimes against humanity in situations of armed conflict, confronting the inability or reluctance of governments to protect their own populations, or responding to the challenges posed by transnational terrorism; the international community has witnessed the proliferation of institutions and mechanisms, as well as the dynamic interplay between domestic and international processes, in the pursuit of justice-sensitive outcomes. International and hybrid tribunals, UN-led and domestic counter-terrorist initiatives, and the use of force for human protection purposes have demarcated the space within which ethical, political, and legal debates have unfolded in the quest for a more humane world order. The contributors of International Criminal Justice: Theoretical and Legal Perspectives address some of the most important issues and debates involved in this quest, and assess the merits of contending approaches to the promotion of international justice norms. This volume will contribute to the ongoing debate on the challenges, as well as opportunities,

facing the justice agenda in its effort to shape developments in an increasingly interdependent world.

**Coaching the Mental Game**-H. A. Dorfman 2017-03-01 Whoever claims winning isn't everything obviously has not spoken with an athletic coach.Coaching the Mental Game offers coaches of all sports a definitive volume for effectively understanding an athlete's mental awareness, which in turn will help drive success. Author H.A. Dorfman details appropriate coaching strategies aimed at perfecting the player's mental approach to performance. Coaching the Mental Game will become the Bible for coaches who strive to make their athletes the most complete performers possible. Not only a wonderful asset to athletic coaches, this book will also prove to be a motivational resource for workers in all industries as well as in the game of life.

**Black Political Thought**-Sherrow O. Pinder 2019-11-14 In Black Political Thought: From David Walker to the Present, Sherrow O. Pinder has brought together the writings and discourses central to black political thought and African American politics, compiling a unique anthology of speeches and articles from over 150 years of African American history. Providing in-depth examinations and critical analyses of topics such as slavery, reconstruction, race and racism, black nationalism and black feminism - from a range of perspectives - students are equipped with a comprehensive and informative account of how these issues have fundamentally shaped and continue to shape black political thinking. Each of the six thematic parts is framed by an introduction written by black scholars working in the field, and a list of further readings. Individual chapters are then enhanced by end-of-chapter questions and author biographies. Written for the interdisciplinary field of black studies, and other social science and humanities disciplines, this textbook offers a unique resource for political scientists, sociologists, historians, feminists, and the general reader of black political thought.

**Duel with the Devil**-Paul Collins 2014 "Documents the sensational 1799 murder mystery that inspired rivals Alexander Hamilton and Aaron Burr to join forces, revealing the links between the accused killer and both men and the public outcry that nearly prevented the suspect's fair trial. By the author of The Murder of the Century."

**Basic Techniques of Conducting**-Kenneth Harold Phillips 1997 Music. Spiral bound.

**Digital Leader: 5 Simple Keys to Success and Influence**-Erik Qualman 2012-01-13 Digital Leaders are Made—Not Born "Fail forward, fail fast, fail better is a winning concept from Qualman's latest book, Digital Leader." -- Tony Hsieh, New York Times bestselling author and CEO of Zappos.com, Inc. "People with a passion for something can be infectious. It's obvious that Erik Qualman's passion is social media." -- Dan Heath, New York Times bestselling author of Made to Stick and Switch "Qualman is to social media what Deming is to quality and Drucker to management." -- Scott Galloway, professor, Stern School of Business, NYU "Erik Qualman is a Digital Dale Carnegie." -- Todd Young, CEO, ProspX About the Book: "Digital footprints are what we post about ourselves. Digital shadows are what others upload about us. Collectively, they have changed the world forever. As leaders and future leaders we need to adapt to this new world." -- from Digital Leader Digital leaders are made, not born--you have it within you to become an effective digital leader. As a leader in the digital age, your reach is boundless. With advanced technologies, you can exert more direct and indirect influence than ever before--anywhere at any time. And everything you do, fail to do, and wish you didn't do is documented forever in the digital universe. Digital Leader explains how to take full advantage of everything the digital age has to offer, while avoiding common pitfalls that can damage your "digital legacy." Bestselling author Erik Qualman explains what modern leadership means and describes how to be an effective leader in the digital world. In order to succeed, you need to adjust your leadership skills to adapt to today's digitally open world--and you need to start today. Qualman breaks the process down into five powerful truths you can use to establish your leadership "stamp": Simple: success is the result of simplification and focus True: be true to your passion Act: nothing happens without action--take the first step Map: goals and visions are needed to get where you want to be People: success doesn't happen alone Basing his conclusions on a wide range of research and resources, Qualman provides an abundance of real-world examples and tips to help you create a path to success while leading others to achieve their best.

**A Clutch of Indian Masterpieces**-Terry O'Brien 2014 The Masterpieces of World Fiction series brings together the best-loved short stories by the great masters of the genre - from Chekov and Maupassant, Kipling and Wilde, to O. Henry and Saki and Tolstoy and Conrad. Thoughtfully compiled by the bestselling author Terry O' Brien, this series is a great way for readers to revisit old favourites and for introducing literary masterpieces to newer,

younger readers

**Category Management in Purchasing**-Jonathan O'Brien 2015-03-10 Category Management in Purchasing is a comprehensive guide to strategic category management, providing a step-by-step guide to its implementation and use. This book provides the necessary tools, techniques and applications that will enable the reader to implement this cost saving purchasing method. The 3rd Edition of Category Management in Purchasing has been rigorously updated to reflect latest thinking in the field. Jonathan O'Brien shows how a strategic approach needs to work effectively together with other approaches, such as Supplier Relationship Management. He has added important sections on governance, included more supplier and supply chain tools, and introduced a pragmatic route for smaller businesses or those who need step-by-step advice.The book provides case studies of real companies, including: IKEA, The Body Shop, NHS, Heinz, Cardiff Council, and GlaxoSmithKline.

**Hornrgren's Financial and Managerial Accounting**-Tracie L. Nobles 2013-08-05 Were you looking for the book with access to MyAccountingLab? This product is the book alone, and does NOT come with access to MyAccountingLab. Buy the book and access card package to save money on this resource. CourseSmart eTextbooks are a creative digital solution that offers the freedom and convenience of online, offline, and mobile access using a single platform. With a CourseSmart eTextbook, students can: \* search the text \* make notes online \* print out reading assignments that incorporate lecture notes \* bookmark important passages for later review \* save money. As an alternative to purchasing the print textbook, students can subscribe to the same content online for a significant discount off the suggested list price of the print text. For more information, or to subscribe to the CourseSmart eTextbook, visit [www.coursesmart.com](http://www.coursesmart.com) (for customers in U.S. and Canada) or [www.coursesmart.co.uk](http://www.coursesmart.co.uk) (for customers in Europe, Middle East, and Africa).

**Color Me Dark**-Pat McKissack 2000 Eleven-year-old Nellie Lee Love records in her diary the events of 1919, when her family moves from Tennessee to Chicago, hoping to leave the racism and hatred of the South behind.

**Designing the iPhone User Experience**-Suzanne Ginsburg 2010-08-12 "In her book Designing the iPhone User Experience, Suzanne Ginsburg takes a fresh look at cutting-edge, user-centered design from the perspective of designing mobile user experiences for the iPhone. Her book brings together everything you need to know to design great products for mobile contexts." —Pabini Gabriel-Petit, UX Strategy & Design Consultant and Publisher and Editor in Chief of UXmatters "It's about time! Suzanne Ginsburg takes the best of User-Centered Design (UCD) principles and tweaks them with a dash of mobile and a lot of hints about what it means to implement the Apple Human Interface Guidelines for iPhone. Your idea for an iPhone app has much better chances of being accepted by iPhone owners (and by the iTunes watchdogs guarding entry to the App Store) if you follow even half of the suggestions in this book." —Nancy Frishberg, Ph.D., User Experience Strategist and past Chair of BayCHI Given the fiercely competitive state of the iPhone app landscape, it has become increasingly challenging for app designers and developers to differentiate their apps. The days are long gone when it was possible to crank out an app over the weekend and refine it after receiving a few not so flattering user reviews. Users now have choices -- lots of them. If your app is difficult to use or doesn't meet their needs, finding another one is just a tap away. To illustrate, consider the ever-growing field of Twitter clients. There are hundreds of variations in the App Store but only a handful stand out from the pack (such as Tweetie or Twitterific). For most apps, it boils down to one thing: the user experience. The same is true for countless other categories within the App Store: well-designed apps are more likely to attract and retain users. Of course there are other critical aspects of iPhone app development: the coding, the marketing, the customer support. All of the elements must come together. Designing the iPhone User Experience will help you tackle the user experience part of the iPhone challenge. Three key themes will be reinforced throughout the book: Know thy user, the Design Lifecycle, and Attention to Detail: Know Thy User Millions of people depend on iPhone apps to get them to work, find their next meal, and stay in touch with family and friends. Professionals of all kinds also rely on iPhone apps: doctors look up drug interactions; photographers fine-tune lighting; cyclists find the best routes. To truly understand how your apps can fit into their lives, designers and developers must learn how users do things today, what's important to them, and what needs have not been met. Part II, Introduction to User Research, will introduce a variety of user research methods. The Design Lifecycle Award-winning designs rarely happen overnight; they usually only occur after many rigorous design cycles. To illustrate this point, consider USA TODAY's iPhone application, which went through at least seven iterations for the article view in their app. These kinds of iterations should happen before you launch your app, since it will save valuable time and money, not to mention the headaches a bad design could

create for your user. More importantly, you may only have one chance to impress your users -- you do not want to sell them half-baked ideas. Part III, Developing your App Concept, will explain how to iteratively design and test your app concepts. Attention to Detail Most professionals know that attention to detail is important, but hundreds of apps fail to incorporate even the most basic design principles. This lack of attention is not merely an aesthetic issue (which is important) it also affects the way apps function. For example, a news article without proper alignment will be difficult to read, and a poorly rendered icon will be challenging to interpret. Apps with a razor sharp attention to detail will stand out because their apps will look good and perform well. Part IV, Refining your App Concept, will show you how to make to your app shine, from visual design and branding to accessibility and localization. Mastering these three areas will help set your app apart from the crowd. You may not have an award-winning app over night. But knowing your users, iterative design, and attention to detail are important first steps.

**Understanding Capitalism**-Samuel Bowles 2005 Understanding Capitalism 3e provides an introduction to economics with extensive attention to the global economy, inequality, the information revolution, the exercise of power, and the historical evolution of economic institutions and individual preferences. Its three-dimensional approach focuses on competition in markets, command in firms, governments and international relations, and change as a permanent feature of a capitalist economy promoted by technical innovation and conflict over the distribution of income.\* Covers standard material from both micro and macro, as well as extensive historical and institutional analysis drawing on anthropology, political science, and sociology\* Third edition is entirely rewritten with four new chapters on the long term history of capitalism, the evolution of preferences and values, inequality, and the future of capitalism \* The three dimensions of economic life--competition, command, and change--provide a unifying framework encompassing recent developments in behavioural economics, information economics, increasing returns, and institutional economicsContents:1. Capitalism Shakes the World 2. People, Preferences and Society 3. Three-Dimensional Approach to Economics 4. Political Economy, Past and Present 5. The Surplus Product: Conflict and Change 6. Capitalism as an Economic System 7. American Capitalism: Accumulation and Change 8. Supply and Demand: How Markets Work 9. Competition and Co-ordination: The Invisible Hand 10. Capitalist Production and Profits 11. Competition and Concentration 12. Wages and Work 13. Technology, Control, and Conflict in the Workplace 14. The Mosaic of Inequality 15. Progress and Poverty on a World Scale 16. Aggregate Demand, Employment and Unemployment 17. The Dilemmas of Macroeconomic Policy 18. Inflation 19. Government and Economy 20. The Future of CapitalismIndex

**Introduction to Business Law**-Jeffrey F. Beatty 2018-03-08 Discover the business law book you'll actually enjoy reading. Time after time, readers like you have commented that this is the most interesting introduction to law they've ever read. INTRODUCTION TO BUSINESS LAW, 6E is packed with current examples and real scenarios that bring law to life for today's business learner or professional. Extremely reader-friendly, this engaging presentation uses conversational writing to explain complex topics in easy-to-understand language. Memorable real-world stories help the authors illustrate how legal concepts apply to everyday business practice. This edition emphasizes the digital landscape with new information on privacy and intellectual property. An updated ethics

chapter offers a practical approach, using the latest research to explain why people make unethical decisions. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

**Exploring Microsoft Office Excel 2016 Comprehensive**-Mary Anne Poatsy 2016-05-09 This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. This book offers full, comprehensive coverage of Microsoft Excel. Beyond point-and-click The goal of the Exploring series is to move students beyond the point-and-click, to understanding the why and how behind each skill. And because so much learning takes place outside of the classroom, this series provides learning tools that students can access anywhere, anytime. Students go to college now with a different set of skills than they did years ago. With this in mind, the Exploring series seeks to move students beyond the basics of the software at a faster pace, without sacrificing coverage of the fundamental skills that everyone needs to know. Also available with MyITLab MyITLab ® is an online homework, tutorial, and assessment program designed for Information Technology (IT) courses, which engages students and improves results. HTML5 Simulation exercises and Live-in-Application Grader projects come with the convenience of auto-grading and instant feedback, helping students learn more quickly and effectively. Digital badges lets students showcase their Microsoft Office or Computer Concepts competencies, keeping them motivated and focused on their future careers. MyITLab builds the critical skills needed for college and career success. Note: You are purchasing a standalone product; MyITLab does not come packaged with this content. Students, if interested in purchasing this title with MyITLab, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information.

**College Accounting, Chapters 1-24**-Tracie L. Nobles 2012-01-03 The 11th Edition of COLLEGE ACCOUNTING maintains its dedicated emphasis on the significance of the College Accounting course as true groundwork for students' future classes, jobs, and careers. This text builds student skills in the areas of accounting knowledge, technology, communication, ethics, and critical thinking, providing students the skills needed to be successful in life and work. With a focus on small business, College Accounting 11e, provides real-world context that keeps chapter content relevant and vital. You can now assign, grade, and assess your students' progress quickly and easily with CengageNow for College Accounting, 11e. End-of-chapter materials are available online, and your students can test their mastery of new concepts via a personalized study plan. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
