Yellowcake-Margo Lanagan 2013-05-14 Yellowcake brings together ten short stories from the extraordinarily talented Margo Lanagan—each of them fiercely original and quietly heartbreaking. The stories range from fantasy and fairy tale to horror and stark reality, and yet what pervades is the sense of humanity. The people of Lanagan’s worlds face trials, temptations, and degradations. They swoon and suffer and even kill for love. In a dangerous world, they seek the solace and strength that comes from family and belonging. These are stories to be savored slowly and pondered deeply because they cut to the very heart of who we are. “Haunting, gorgeous, and sometimes painful, Lanagan’s stories are unlike anything else in fantasy literature.” --Publishers Weekly, starred review "Lanagan unravels familiar myths and fairy tales, weaving them into unique, sharply resonant forms in this characteristically stunning collection." --Kirkus, starred review

The Million Dollar Divorce-RM Johnson 2004-09-09 RM Johnson, the Essence bestselling author of Dating Games and The Harris Family, delivers an absorbing and provocative new novel about the lowdown schemes and broken dreams that follow a fractured marriage. Successful business entrepreneur Nate Kenny is thrilled to get married to the beautiful and intelligent Monica, chiefly because it means he can at last fulfill his lifelong dream of having a family. While he isn’t happy about it, he agrees with Monica to wait three years before trying for pregnancy. Once those three years are up, the couple discovers that she is unable to bear children. Any love he once felt for Monica is gone, and Nate wants out of the marriage. But he’s worried about losing half of his sixty-million-dollar fortune in a divorce settlement. Desperate for an out, he searches for a way to exploit the infidelity clause in the couple’s prenuptial agreement. Enter Lewis Waters. With his baby’s mother addicted to drugs, Lewis is already seriously down on his luck when he accidentally smashes his car into Nate’s Bentley. Without auto insurance or any way to pay for the repairs, Lewis is at the end of his financial rope. But the scheming and conniving Nate sees another way for the attractive young man to repay his debt: as sexual bait for Monica. And so Nate sets up Lewis with all of the accessories he believes Lewis will need to earn Monica’s love, or at the very least her lust: a big house, a fancy car, expensive clothes, and a full bank account. But as is often the case when it comes to matters of the heart, things don’t unfold according to plan. When Monica falls hard for Lewis, Nate panics – was protecting his fortune more important than trying to save his marriage? As he finds himself overwhelmed by second thoughts, Nate is willing to do anything to get Monica back. An inspired fusion of realism and romance, The Million Dollar Divorce is an unpredictable caper of lust, betrayal, and family ties.

Topi Shukla-Rāhi Māsūma Razā 2005 Set in Aligarh in the early 1960s, after the dust of Partition has ostensibly settled, Topi Shukla is an intriguing story of two friends-one Hindu and the other Muslim. Through the characters of people like Topi and Iffan, the novel looks at the lives of ordinary people trying to survive in asociety that insists on a brutal conformity of behaviour. It is about individuals whose spirits are paralysed because they cannot conform, and about history’s inability to teach mankind any worthwhile lessons. Language plays an important part in this narrative, operating almost as a character in itsown right. Topi, as a Hindi bull in the Urdu china shop, invokes the historical stand-off between the two languages. The novel also explores the culture and psyche of Uttar Pradesh withits very Muslim Aligarh, its very Hindu Benares, and their exotic confluence in Lucknow. Although it is set in theIndia of the 1960s, the communal tensions and issues portrayed in the novel make it just a relevant to the troubled times we face today. This fascinating novel wil be of tremendous interest to the general reader, as well as to students of literature in translation, partition fiction, and socialhistory. The novel’s engagement with intertextuality and metafiction will add to its interest for readers keen on literary theroy.

The series is crafted for learners of the 21st century, for whom it is of foremost importance to learn how to learn. 3. The use of Graphic Organisers, Timelines and Graphic retelling of stories develop critical thinking and study skills in learners—two vital tools for learning. 4. The series guides learners through the seven stages of a brain-based approach to learning. 5. The 5Ps address the above mentioned seven stages as follows - Ponder: aids the learners in pre-acquisition of concepts by setting the context, while preparing them to read the text with the aid of the glossary and in-text questions. Prepare: immerses the learners into the context and initiates holistic learning. It helps in the acquisition of newer perspectives through task-based activities. Practise: lays out the canvas for the stage of elaboration, in which the learners analyse and evaluate the text while applying their understanding of it. Perfect: aids memory encoding through drilling of vocabulary and grammar topics. It helps with incubation of concepts. Perform: functions as a confidence check for learners and ensures verification of their performative skills. This stage of summing up allows a functional integration of acquired concepts, leading to a celebration of learning. 6. Subject Integration (SI) tasks weave cross-curricular references through the chapters. 7. Task-Based Learning (TBL) activities present learners with real-life situations within the classroom. 8. Life Skills (LS) are enhanced through challenging texts and value-based concept checking questions (CCQs). 9. Wall of fame: At the beginning of the book is a gallery of famous authors and characters that the child will meet inside. 10. Tense Timelines (5-8): On the last page of the book is a graphic represetaion of Tenses. 11. Full page illustrations and Double-spreads in lower classes make learning fun and interesting.

Love Marriage-V. V. Ganeshanathan 2008-04-08 In this globe-scattered Sri Lankan family, we speak of only two kinds of marriage. The first is the Arranged Marriage. The second is the Love Marriage. In reality, there is a whole spectrum of between, but most of us spend years running away from the first toward the second. [p. 3] The daughter of Sri Lankan immigrants who left their collapsing country and married in America, Yalini finds herself caught between the traditions of her ancestors and the lure of her own modern world. But when she is summoned to Toronto to help care for her dying uncle, Kumaran, a former member of the militant Tamil Tigers, Yalini is forced to see that violence is not a relic of the Sri Lankan past, but very much a part of her Western present. While Kumaran’s loved ones gather around him to say goodbye, Yalini traces her family’s roots—and the conflicts facing them as ethnic Tamils—through a series of marriages. Now, as Kumaran’s death and his daughter’s politically motivated nuptials edge closer, Yalini must decide where she stands. Lyrical and innovative, V. V. Ganeshanathan’s novel brilliantly unfolds how generations of struggle both form and fractures families. Praise for Love Marriage “A beautiful first novel. This intricately woven tale, with its universal themes of love and estrangement, presents an exciting new voice in American literature.” –Yiyun Li, author of A Thousand Years of Good Prayers “Complex and moving . . . an impressive debut.” –Daniel Alarcón, author of Lost City Radio “V. V. Ganeshanathan has given us a riveting picture of the intersections of love and war that shape us all. A debut of incredible passion and wisdom.” –Rebecca Johns, author of Icebergs “At its best and simplest, Ganeshanathan can be profoundly moving. She captures the pain of exile poignantly.” --The San Francisco Chronicle “Ganeshanathan has created a slow-burning and beautifully written debut in Love Marriage. It is an evocative examination of Sri Lankan cultural mores, and the way one family is affected by love and war” — The Financial Times “Poignant and authentic.... Insight gained into Toronto’s Tamil

community is a welcome bonus in this gem of a book by a young writer who is sure to present more thought-provoking, entertaining prose in the future.” --The Toronto Star “The book is at times witty and always beautifully written” — The Irish Times “Innovative...this is an ambitious family drama about an underreported part of the world, filled with well-shaded characters [and] gorgeous flourish...Buy it.” -- New York Magazine “As if she were stringing a necklace of bright beads, the author relates the stories of Yalini’s Sri Lankan forebears in lapidary folkloric narratives...What she does here, she does quite affectingly.” -- The Boston Globe “In spare, lyrical prose, V.V. Ganeshanathan’s debut novel tells the story of two Sri Lankan Tamil families over four generations who, despite civil war and displacement, are irrevocably joined by marriage and tradition....Powerful.” -- Ms. Magazine

David Swan-Nathaniel Hawthorne 2018-07-04 David Swan (+Biography and Bibliography) (Matte Cover Finish): We can be but partially acquainted even with the events which actually influence our course through life, and our final destiny. There are innumerable other events if such they may be called which come close upon us, yet pass away without actual results, or even betraying their near approach, by the reflection of any light or shadow across our minds. Could we know all the vicissitudes of our fortunes, life would be too full of hope and fear, exultation or disappointment, to afford us a single hour of true serenity. This idea may be illustrated by a page from the secret history of David Swan.

To Sir With Love-E. R. Braithwaite 2013-09-30 WITH AN INTRODUCTION BY CARYL PHILLIPS In 1945, Rick Braithwaite, a smart, highly educated ex-RAF pilot, looks for a job in British engineering. He is deeply shocked to realise that, as a black man from British Guiana, no one will employ him because of the colour of his skin. In desperation he turns to teaching, taking a job in a tough East End school, and left to govern a class of unruly teenagers. With no experience or guidance, Braithwaite attempts to instill discipline, confound prejudice and ultimately, to teach.

The Cabuliwallah-Rabindranath Tagore 2014-12-25 Rabindranath Tagore, also written Rabindranatha Thakura, (7 May 1861 - 7 August 1941), sobriquet Gurudev, was a Bengali polymath who reshaped Bengali literature and music, as well as Indian art with Contextual Modernism in the late 19th and early 20th centuries. Author of Gitanjali and its "profoundly sensitive, fresh and beautiful verse", he became the first non-European to win the Nobel Prize in Literature in 1913. In translation his poetry was viewed as spiritual and mercurial; however, his "elegant prose and magical poetry remain largely unknown outside Bengal. Tagore introduced new prose and verse forms and the use of colloquial language into Bengali literature, thereby freeing it from traditional models based on classical Sanskrit. He was highly influential in introducing the best of Indian culture to the West and vice versa, and he is generally regarded as the outstanding creative artist of the modern Indian subcontinent, being highly commemorated in India and Bangladesh, as well as in Sri Lanka, Nepal and Pakistan.

The author, John Vince, makes the concepts easy to understand, enabling non-experts to come to terms with computer animation work. The book complements the author's other works in the series (Essential Computer Animation fast and Essential Virtual Reality fast) and is written in the same accessible and easy-to-read style. It is also a useful reference book for programmers working in the field of computer graphics, virtual reality, computer animation, as well as students on digital media courses, and even mathematics courses.

Bharat-ꣳꣳꣳꣳꣳꣳ ꣳꣳꣳ 2016-10-31 Bharat, Gandhi Ke Bad is the Hindi translated edition of India After Gandhi, which documents the important events and happenings that occurred after India attained independence from British rule in 1947. Generally most the history textbooks on India cover events that from pre-historic times till the country gained independence from foreign rule, but this one takes the reader into the reality that lies hidden in the recent times. This was the era that has witnessed laying of the foundation of Indian democracy, where the fledging nation has survived several brutal attacks in the name of religion, caste, class and language. Historian Ramachandra Guha digs out a lot of facts and figures to explain the struggle and pain that the world’s largest democracy has suffered after independence. He has also mentioned much details about some major protests and conflicts that haunted India after the British administrators left the country. Besides the negative turn of historical events, the book also records many of the accomplishments that the nation has made which does make every Indian proud. Even after having faced numerous terror attacks, conflicts and controversial issues, the republic of India has survived and remains united post-independence. The book presents some famous personalities in a very different light, when describing their personal and their political lives. Moreover, Guha also does mentions some lesser-known personalities from among tribals, workers and peasants who have played a major role in making India what it is today. The book is a result of extensive research and the lucid narration makes it an interesting to read that is easy to understand and relate to. Translator Subant Jha has maintained the original crux of the text in this translated edition and has not attempted to overshadow what the author has actually explained in the original English version. India After Gandhi, the English version was picked as the Book of the Year by Outlook and The Economist and it went onto win the 2011 Sahitya Akademi Award. Following the popularity of this book, the author wrote a second volume, which also has a translated called Bharat: Nehru Ke Baad. About the author: Columnist, commentator and writer, Ramachandra Gua, born in 1958, is one of India’s best historians who has documented recent history. Born and brought up in Dehradun, Gua, a graduate from Delhi University and IIM Calcutta has also taught at Yale, Stanford and University of California. Among the famous books that Gua has written are: India after Gandhi, The States of Indian Cricket and This Fissured Land: An Ecological History of India.

Mother-Maxim Gorky 2016-04-01 Widely regarded as Russian writer Maxim Gorky's masterpiece, the novel Mother is a gripping account of a mother and a son whose converging paths in life lead them to a deep understanding the unique plight of workers. Eventually, the pair stand up for their beliefs and face punishment from the powers that be.

Inspector Matadeen on the Moon-Hari Shankar Parsai 2003 Known for his bold, satirical revelations, Harishankar Parsai leaves no stone unturned to expose the murky moss of the society we live in. Casteists or politicians, bureaucrats or manipulators, none escape the scathing commentary of Parsai. Written almost forty years ago, the 21 stories couldn't be more topical and still inspire a hearty laugh. A not-to-be-missed volume for all who enjoy plurality of language.

Himalayan Voices-Michael Hutt 1993 Himalayan Voices provides admirers of Nepal and lovers of literature with their first glimpse of the vibrant literary scene in Nepal today. An introduction to the two most developed genres of modern Nepali literature-poetry and the short story-this work profiles eleven of Nepal’s most distinguished poets and offers translations of more than eighty poems written from 1916 to 1986. Twenty of the most interesting and best-known examples of the Nepali short story are translated into English for the first time by Michael Hutt. All provide vivid descriptions of Life in twentieth-century Nepal. This book should appeal not only to admires of Nepal, but to all readers with an interest in non-Western literatures.
