The Tao of Montessori-Catherine McTamane
2007-02-09 "If, like some, you regret that Montessori too rarely in her writings appreciated the humanity of teachers-their creativity, their curiosity, their doubts-this book stands as the perfect complement."-Jola-Montessori.com
Evocative and unique, The Tao of Montessori offers a quiet balance to the noisy demands of teaching and parenting through a special blend of encouraging verse. Award-winning Montessori teacher Catherine McTamane revisits the eighty-one verses of Lao-tzu's Tao Te Ching and relates them to the life and work of teachers,

parents, and children. Originally meant to remind rather than direct and to show the way toward natural harmony in the world around and within us, Lao-tzu's verses find a new meaning through McTamane's skillful mixture of spirituality and education. Take a moment to read a single stanza, then put it aside and muse upon its meaning. By revisiting one verse each day, you can relate its images to your life as a teacher, parent, or child. Whether you are familiar with the writings of Lao-tzu or are simply ready to explore a refreshingly contemplative perspective on children and teachers, The Tao of Montessori is a profound work of intellectual stimulation.

Maynard and Jennica-Rudolph Delson
2009-02-17 A wildly original debut, Maynard and Jennica is both a hilarious urban comedy and a captivating love story. In the summer of 2000, while riding the uptown number 6 train, the musician/filmmaker Maynard Gogarty first encounters the beautiful Jennica Green. Though their initial meeting is brief, when fate next brings them together a romance ensues, and as with most things in life, everyone has an opinion. Delson tells the story of this improbable love affair through the voices of Maynard and Jennica, along with their family, friends, and assorted

characters (among them two attorneys, three journalists, and a rap star) pulled into their dizzying orbit. He brings to life a pair of lovers who are flawed, complex, at once eccentric and deeply familiar—and in whose story we continue to feel invested long after we've turned the last page. In the words of Mohsin Hamid, author of *The Reluctant Fundamentalist*, "this book is the reason we should all read first novels."

All Things Must Fight to Live-Bryan Mealer
2011-01-08 In *All Things Must Fight to Live*, Bryan Mealer takes readers on a harrowing two-thousand mile journey through Congo, where gun-toting militia still rape and kill with impunity. Amidst burnt-out battlefields where armies still wrestle for control, into the dark corners of the forests, and along the high savanna, where thousands have been slaughtered and quickly forgotten, Mealer searches for signs that Africa's most troubled state will soon rise from ruin. At once illuminating and startling, *All Things Must Fight to Live* is a searing portrait of
